FITTING

MADE 2 FIT

Dealers prefer to spend more time selling and less time completing check measures, installing or dealing with third party installers.

TWO Australia created Made2Fit to exclusively provide expert advice and specialise in the installation of TWO's product range.

M2F CONSULT

“We are part of your team”

Our fitters know our product like the back of their hand.
Meet the fitter on site to provide the best options for your customer.

M2F CHECK MEASURE

“We make sure it fits perfectly”

Get it right the first time and feel peace of mind with our fitter
accurately check measuring your estimate.

M2F INSTALL

“We are your specialist contractor”

We take care of the bookings and installations, keeping you in the loop while giving you more time to focus on other parts of your business.

DELIVERY

TWO Australia has invested in what we believe is the best delivery and warehouse infrastructure in the window furnishing industry across Australia. Company owned trucks, warehouses and employing full-time delivery and warehouse staff ensure your orders are handled, scheduled and delivered with care on time.

TWO HANDLING

“Our trained staff handle your product”

Unlike standard couriers, our full time warehouse and delivery staff are trained to handle and load the TWO product range, minimising potential transit damage.

TWO WAREHOUSING

“Your product is safe & secure”

You can trust your product is kept safe and secure in our company owned warehouses.

TWO DELIVERY

“7 day delivery from port to you”

Delivery happens very quickly once product reaches port or warehouse with constant communication from our drivers keeping you in the loop with delivery times.

PRODUCTS

With an extensive range of indoor window furnishings and outdoor solutions, you can say 'YES!' more often to your customers.

There's a solution for every budget.
